12

13. GEM AND STONE LUXURY CANDLES are hand poured in Sydney, Australia. Founded by Amanda in an ode to her late grandmother, these candles are the essence of opulence. The unique and captivating scents can be found in the exclusive Safari range of candles as seen above. Follow @gemandstoneluxurycandles or visit www.gemandstoneluxurycandles.com for more information.

13

14. MOONCHILD designs sustainable sleep goods of cruelty-free peace silk. An ethical production enables silkworms their natural metamorphosis to butterflies. To sleep on silk not only enhances the quality of sleep but is well regarded as a great beauty trick to help reduce the appearance of wrinkles and split ends. Visit www.moonchildsleep.com and follow @moonchildsleep on Instagram to see more.

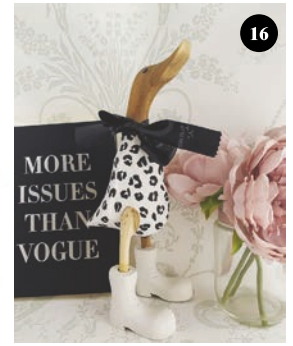

14

15. KLATSO is a Colombian artisanal brand, inspired by the biodiversity of its country. Their products are handmade with natural fibres such as the Iraca Palm. Make everyday special with a beautiful table setting! Visit their collection at www.klatso.com and follow @klatsohome on social media.

15

16. LITTLE BIRDS DECOR create beautiful hand-painted wooden ducks in Yorkshire. These ducks are eco friendly, and are made from the root of the bamboo plant. They are bespoke and handmade to order, every duck is therefore unique and special. From christenings to birthdays to weddings, there's a duck for everyone. Follow @LittleBirdsDecor on Etsy to find out more.

16

17. MINTON JEWELRY embodies architectural concepts and was founded by architect Emily Minton, following a year-long architectural thesis project creating jewellery out of concrete. Minton utilizes 3D modeling and 3D printing to generate each design, and the final pieces are produced in New York City. Jewellery is available in sterling silver, plated brass, and 14K gold. Shop online at www.shopminton.com and follow @shopminton on Instagram.

17

18. VALIANT BEAUTÉ ARTISTRY's Black Pepper and Coconut exfoliating scalp scrub is made to exfoliate and detox your scalp, providing strengthening and protecting the condition of the hair. Their lovely scrub was formulated by hand, using raw black pepper, virgin sugar, coconut, tea tree and 100% pure natural oils. It's made to remove build up, make hair strong, reduce dandruff and hair fall but also to moisturise it and prevent it from drying out or becoming oilier. Visit valiantbeauteartistry.com or follow @Valiantbeauteartistry on Instagram.
